

## Week 2

# The Story of Music

**Welcome:** Sing theme song and teach next line.

**Getting to know you:** Pick four more children to share something about themselves and play a song on the bells.

**Activity:** Mr. Potato Head activity

1. We are going to learn about music today by using our bodies.
2. Mr. Musical Max is missing body parts. Pick a part and tell us how you would use that body part to make music.
  - a. Hands: How would you make music with your hands? Clapping
    1. make rainstorm using hands (small pitter – patter to loud rain). Use signs for kids to show loud and softs of rain.
      - a. principle – loud and soft in music.
  - b. Mouth: How do you make music with your mouth? Singing
    1. teach first two lines of school song.
      - a. principle – all bodies are different so everyone has a unique sound.
  - c. Feet: How can you make music with your feet? Stomping
    1. Sing: “if you’re happy and you know it stomp your feet”
    2. Show clogging shoes and demonstrate sounds made by feet.
      - a. principle – music makes us feel happy and is made up of rhythm and beats.

**Coloring books:** Books to take home and color that talks about some things we learned about today. Color and read it with family.

**Goodbye Song:** Sing Adios Amigos
