

A DREAM IS A WISH YOUR HEART MAKES

(Solo) When I was a little girl, my father used to say,
If trouble ever troubles you, just dream your cares away.

(Chorus) A dream is a wish your heart makes when
you're fast asleep.

In dreams you will lose your heartaches; whatever you
wish for, you keep.

Have faith in your dreams and someday your rainbow will
come smiling through

No matter how your heart is grieving

If you keep on believing

The dream that you wish will come true.

LOOK TO THE RAINBOW

(Solo 1) On the day I was born,
said my father, said he,

(Solo 2) I've an elegant legacy
waiting for ye.

Tis a rhyme for your lips

and a song for your heart,

To sing it whenever the world falls apart.

(Chorus)

Look, look, look to the rainbow.

Follow it over the hill and stream.

Look, look, look to the rainbow.

Follow the fellow who follows a dream.

(Solo 2)

'Twas a sumptuous gift to bequeath to a child,

Oh the lure of the song kept her feet runnin' wild.

For your never grow old and you stand stand still,

With whippoorwills singin' beyond the next hill.

(Chorus)

Look, look, look to the rainbow.

Follow it over the hill and stream.

Look, look, look to the rainbow.

Follow the fellow who follows a dream.

Follow the fellow, follow the fellow,

Follow the fellow who follows a dream.

YOU'VE GOT GOLD INSIDE OF YOU

Everybody's got a talent, a gift that they can give.

It's hidden deep within us, and will help us as we live

To make the world a better place: the story will be told.

Discover what your talent is by going for the gold!

(Chorus)

You've got gold inside of you! It will shine for all to see

As you dig down deep to help a friend become what **he**
can be.

So look around to see just who could use your help today!

Work hard to serve, and you will find gold along the way.

(Solo 1) Remember brave George Washington, whose
courage saved the land.

(Solo 2) Consider Florence Nightingale, her gentle
healing hand.

(Solo 3) And don't forget Anne Sullivan, who taught her
student sight.

(Solo 4) And Thomas Edison kept on trying 'till he got it
right!

(Chorus)

You've got gold inside of you! It will shine for all to see
As you dig down deep to help a friend become what **she**
can be.

So look around to see just who could use your help today!

Work hard to serve, and you will find gold along the way.

(Solo 5) Now think of Sonya Carson, how she raised her
children well

To study, work, and not give up: Ben Carson tells her tale.

(Solo 6) The pilgrim Mary Chilton left the Old World for
the New;

(Solo 7) And A. A. Milne still makes us laugh with good ol'
Winnie the Pooh.

(Chorus)

You've got gold inside of you! It will shine for all to see
As you dig down deep to help a friend become what **he**
can be.

So look around to see just who could use your help today!

Work hard to serve, and you will find gold along the way.

(Small group: "It is hidden way down deep inside.")

FILL THE WORLD WITH LOVE

In the morning of my life I shall look to the sunrise.

At a moment in my life when the world is new.

And the blessing I shall ask is that God will grant me,

To be brave and strong and true,

And to fill the world with love my whole life through.

(Chorus)

And to fill the world with love

And to fill the world with love

And to fill the world with love my whole life through.

In the noontime of my life I shall look to the sunshine,

At a moment in my life when the sky is blue.

And the blessing I shall ask shall remain unchanging,

To be brave and strong and true,

And to fill the world with love my whole life through.

(Chorus)

And to fill the world with love

And to fill the world with love

And to fill the world with love my whole life through.

(Solo) In the evening of my life I shall look to the sunset,

At a moment in my life when the night is due.

And the question I shall ask only I can answer.

Was I brave and strong and true?

Did I fill the world with love my whole life through?

(Chorus)

Did I fill the world with love, did I fill the world with love,

Did I fill the world with love my whole life through?

GLORIOUS

(Solo) There are times when you might feel aimless.
And can't see the places where you belong.

(Solo 2) But you will find that there is a purpose.
It's been there within you all along.

(Solo 1&2) And when you're near it, you can almost hear it.

(Chorus) It's like a symphony,
Just keep listening.

And pretty soon you'll start
To figure out your part.

Everyone plays a piece
And there are melodies.

In each one of us,
Ohhh, it's glorious.

(Solo 3) And you will know how to let it ring out
As you discover who you are.

(Solo 4) Others around you will start to wake up
To the sounds that are in their hearts.

(Solo 5) It's so amazing what we're all creating.

(Chorus) It's like a symphony just keep listening
And pretty soon you'll start to figure out your part

Everyone plays a piece
And there are melodies

In each one of us
Oohhh it's glorious.

Glorious! Glorious! Glorious!

(Bridge)

(Solo 6) And as you feel

The notes build

Ahhh

You will see

(Solo 7)

It's like a symphony

Just keep listening

And pretty soon you'll start

To figure out your part

(Chorus)

Everyone plays a piece

And there are melodies

In each one of us.

Ohhh it's glorious.
